Query grid view

The absence of the link button gives context and indicates this is a gift chain

Sunsets

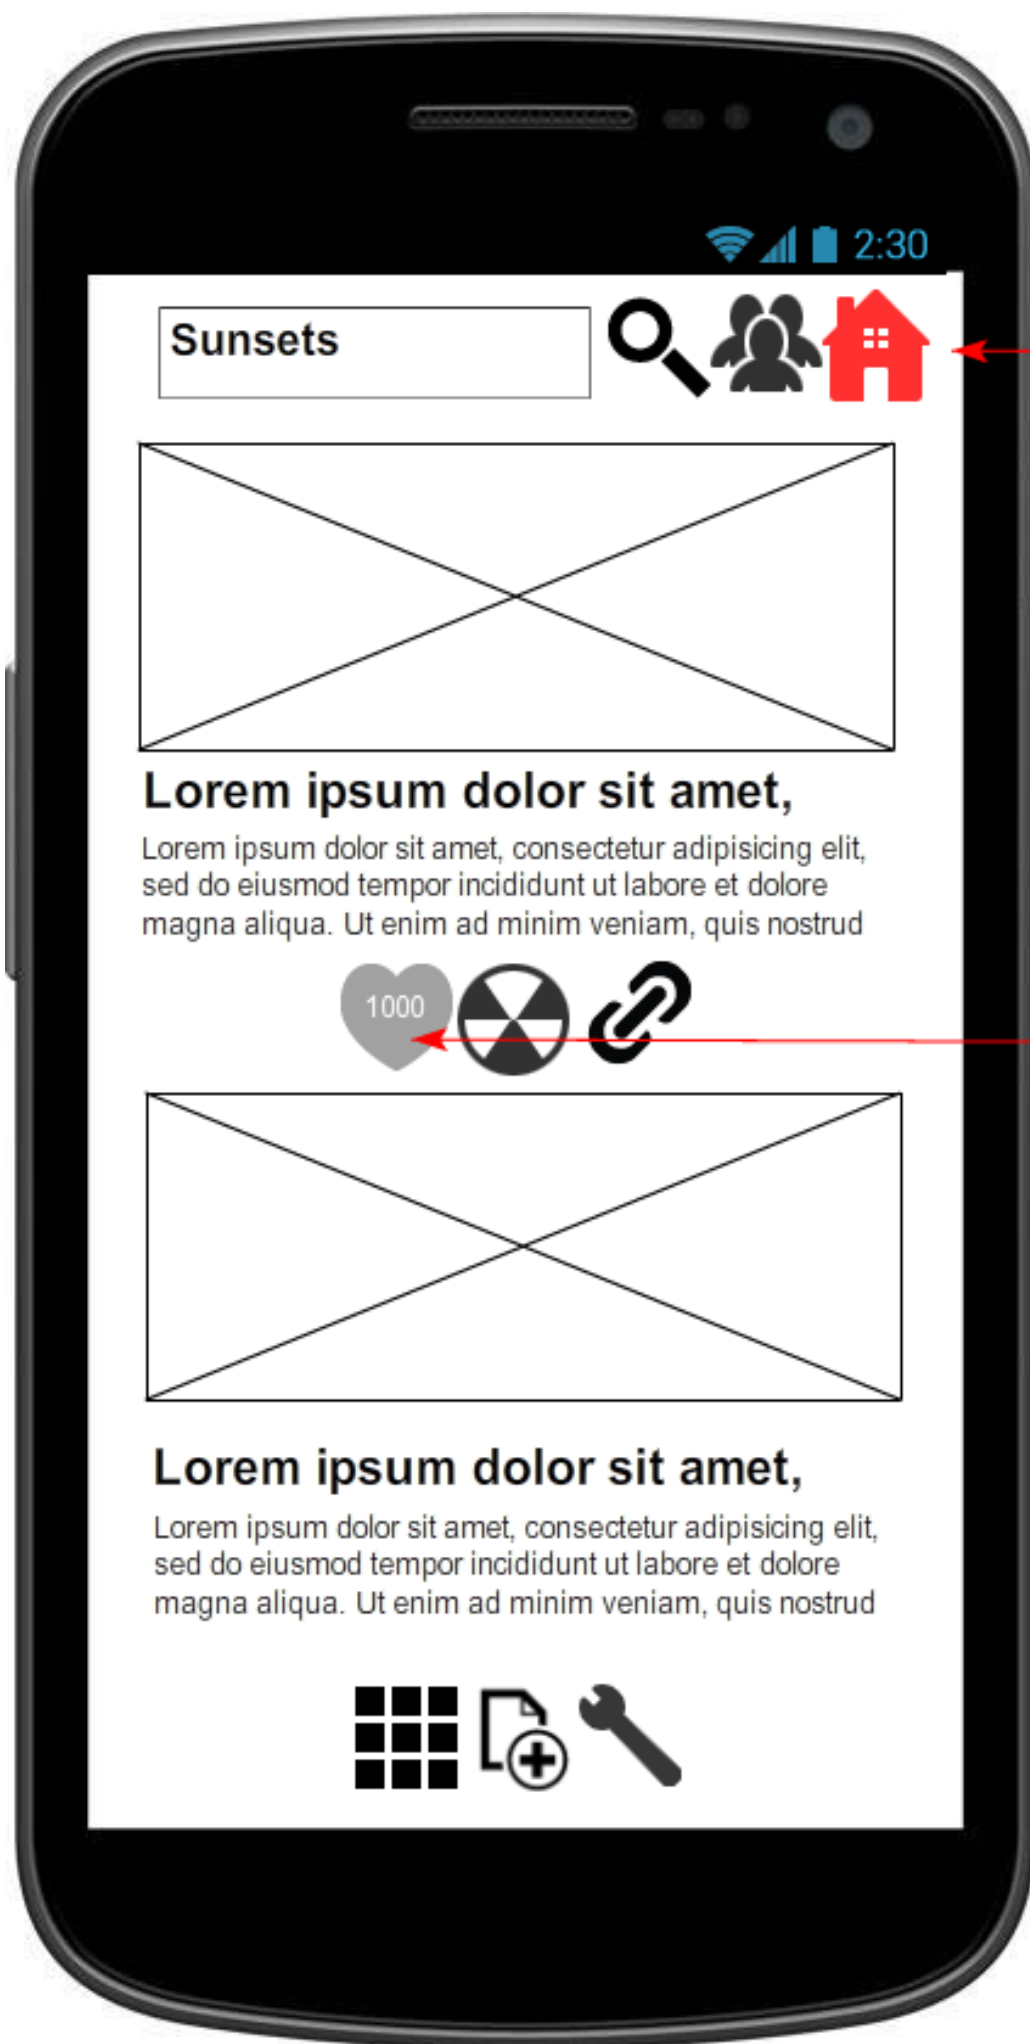

Potlatch

username

password

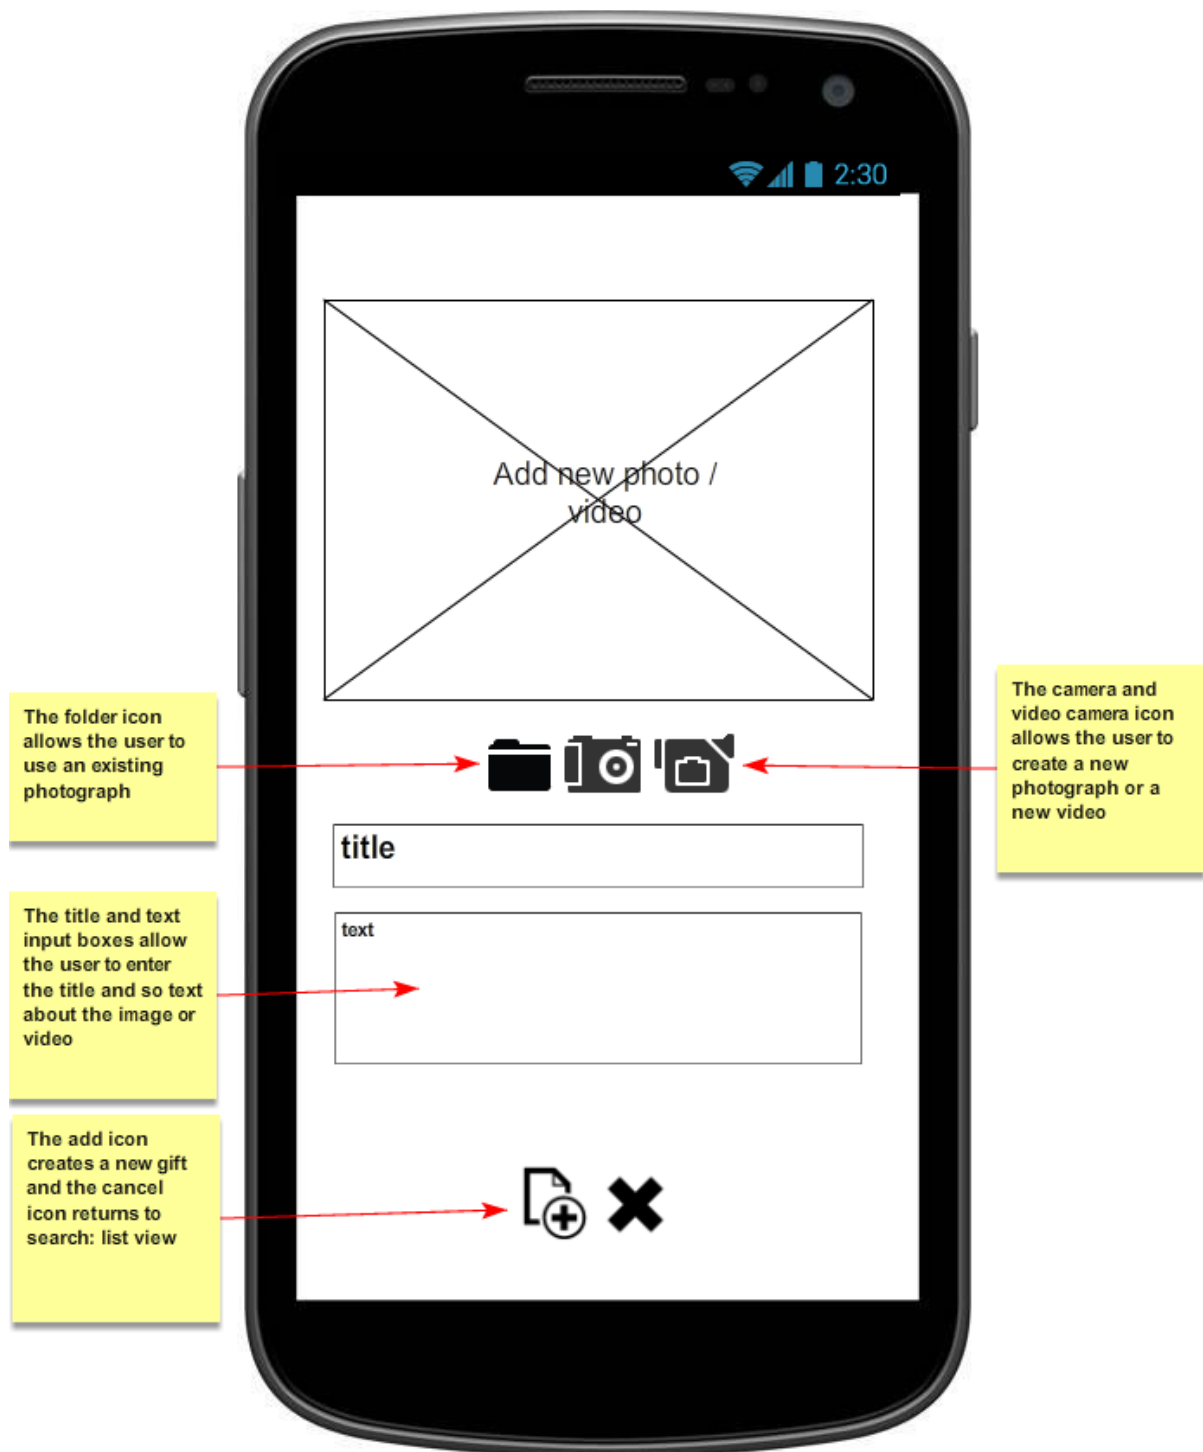

Users do not need to be logged in to browse gifts, but they must be logged in to like gifts, report them as inappropriate, or to post new gifts

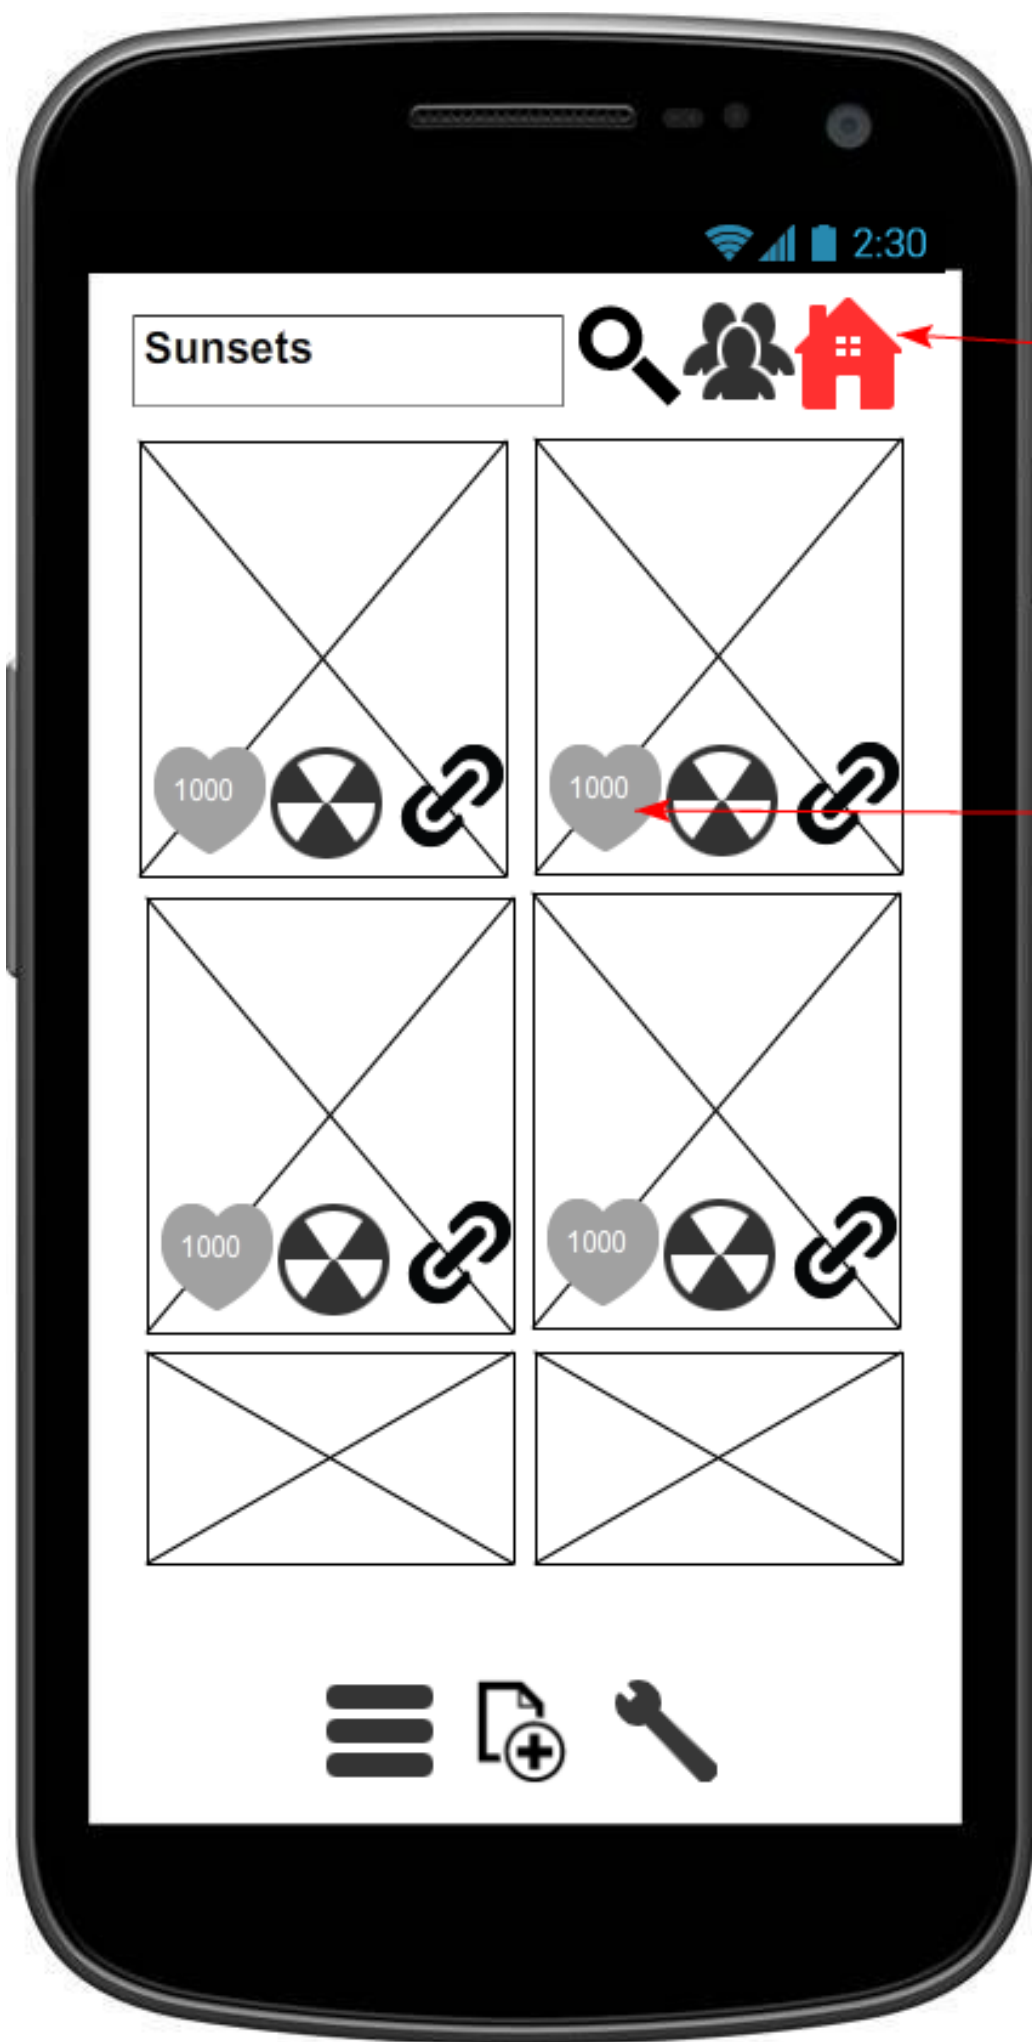

The home button is highlighted giving context that we are viewing gifts posted by the user

The like button is greyed out indicating a user cannot like their own posts

Add new gift

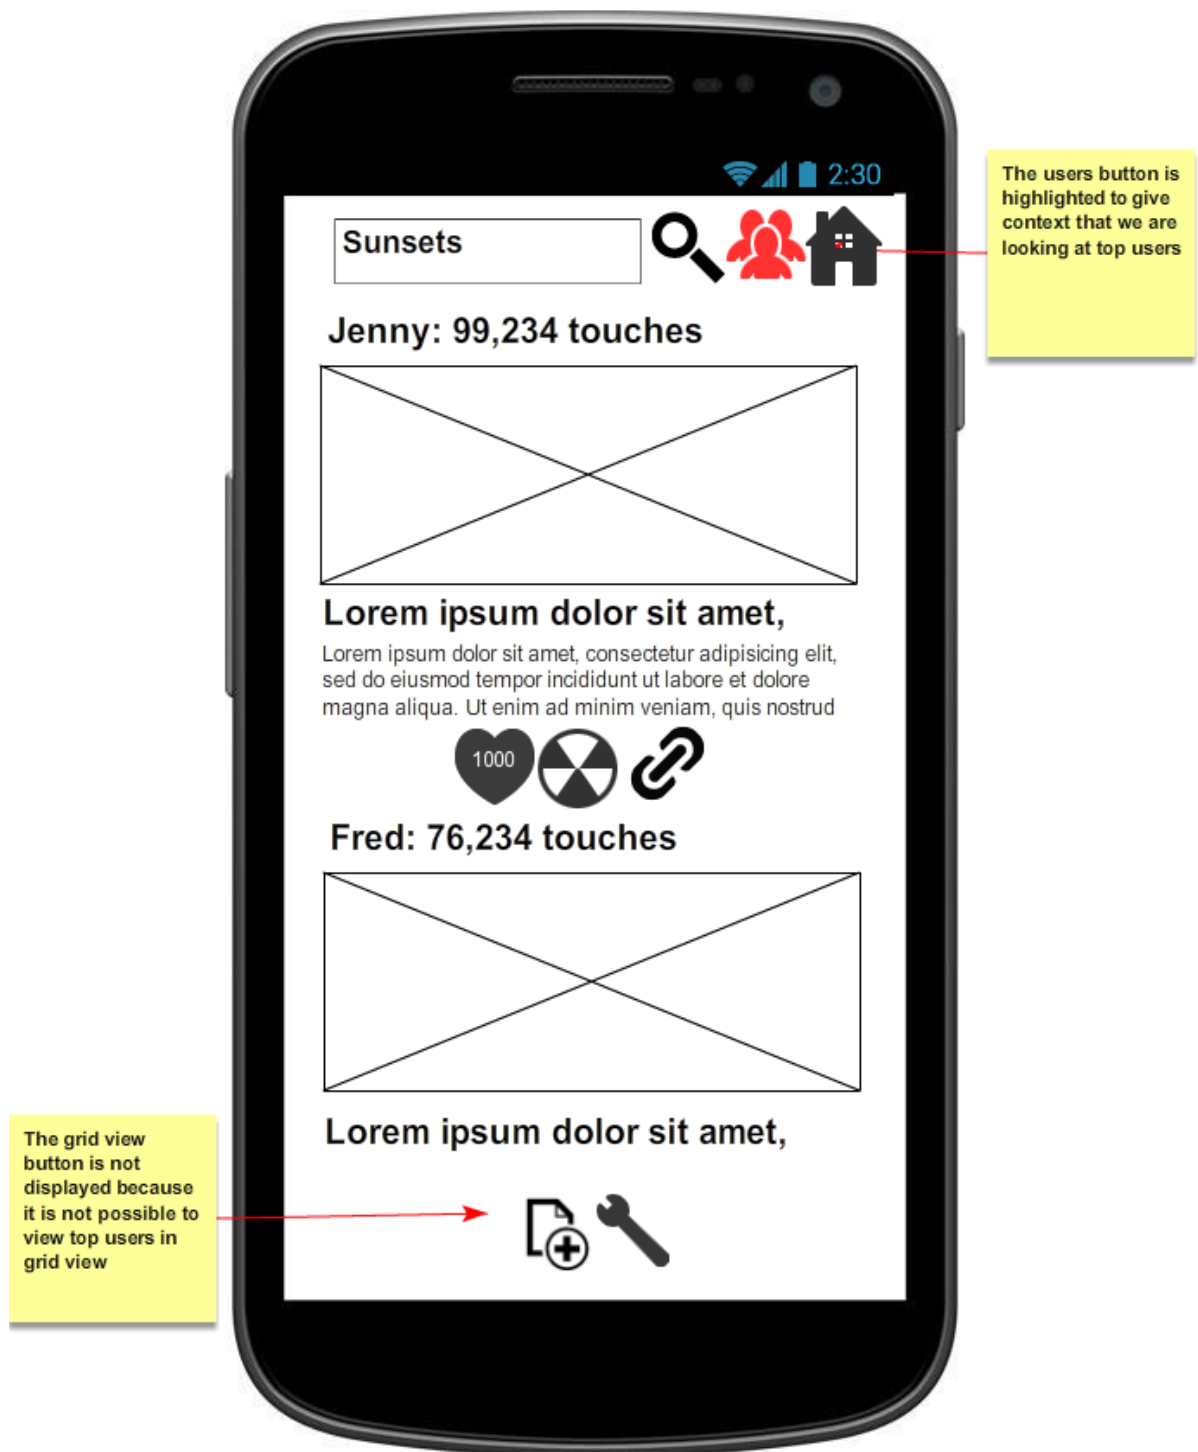

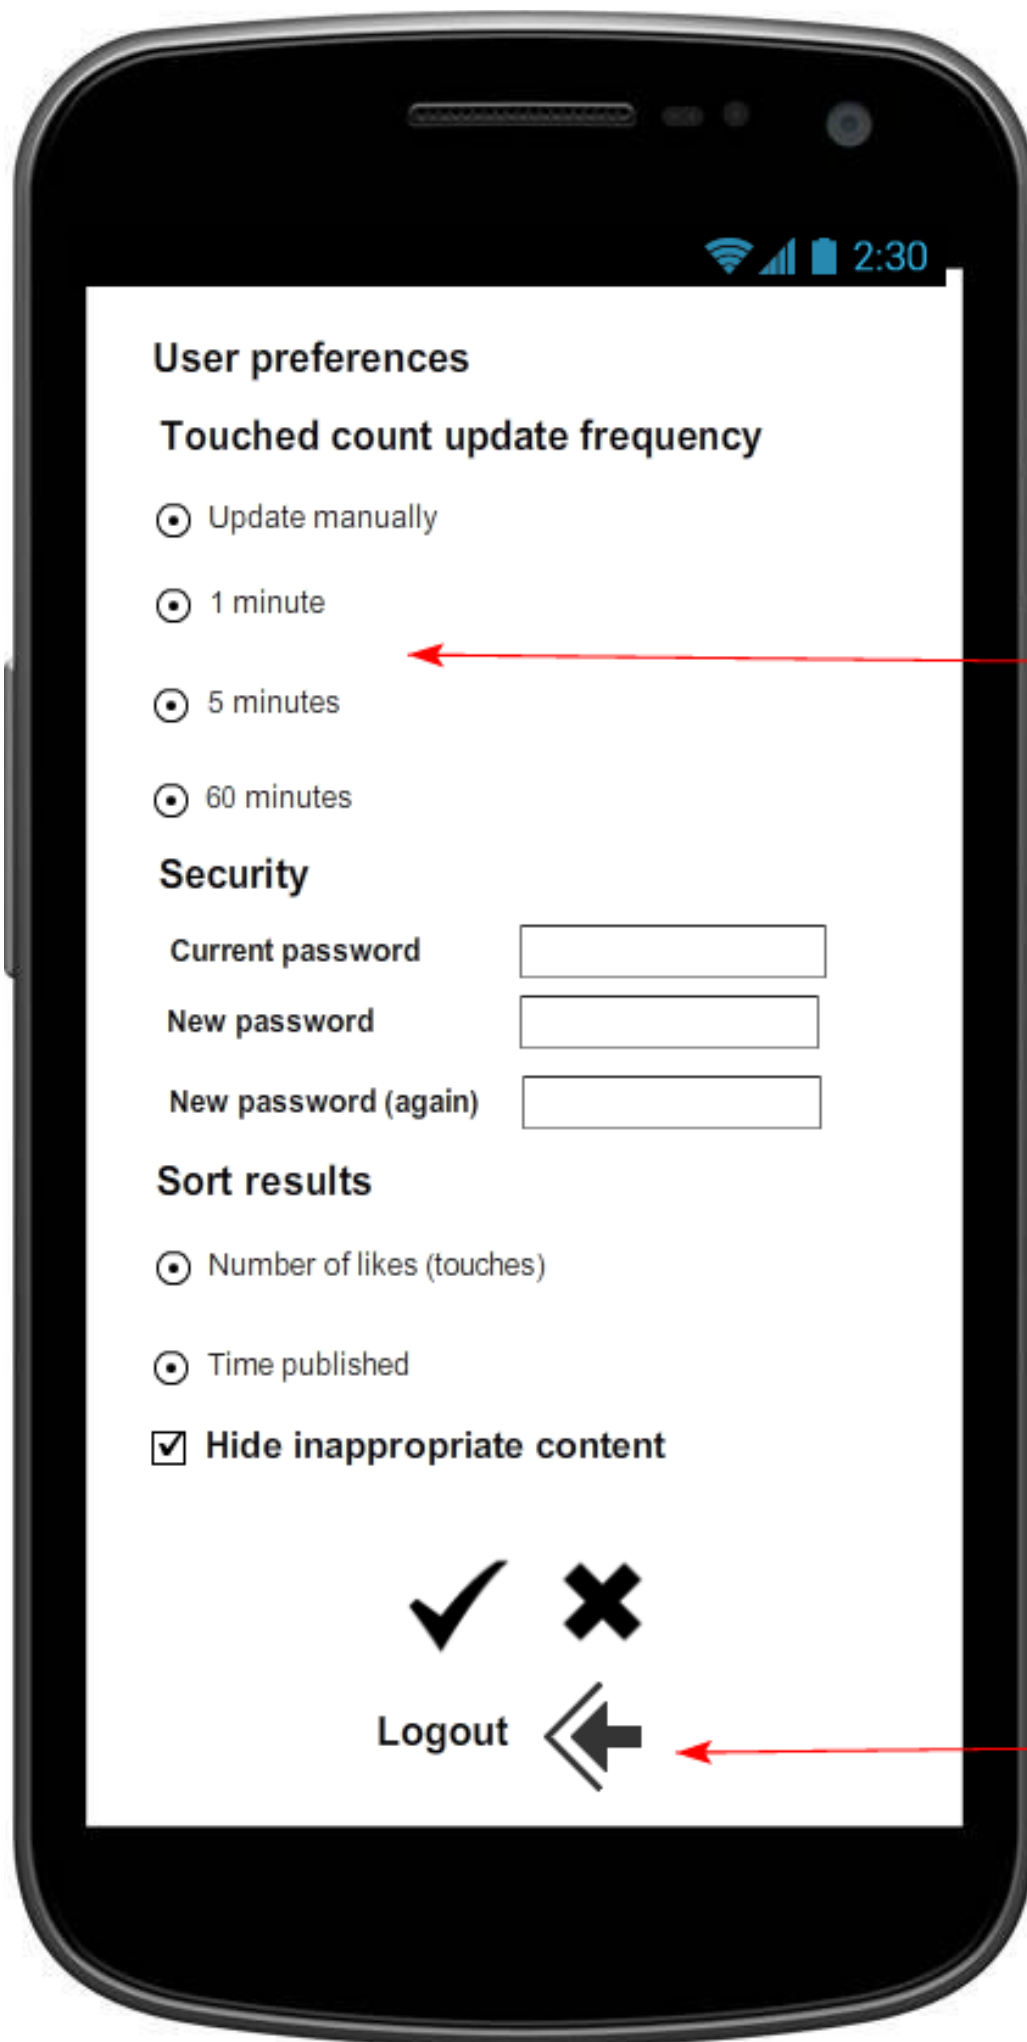

The home button is highlighted giving context that we are viewing gifts

The like button is greyed out indicating a user cannot like their own posts
